

Living Clean Literature Review for Chapters 3, 4, & 5

Eastern Area Workshop

What is it?

1. First new NA book since 'Sponsorship'
2. This book will allow us to touch on many of the ideas gathered from the fellowship over the years regarding new literature.

Why Are You Needed?

3. In order to realize the vision for the book NA needs input from members.
4. The goal of this book to sound like us in much the same way that the Basic Text speaks to us: a lofty goal to be sure, but one that is attainable if we all work to contribute to the project.
